ETHICAL PRODUCTION

Our factories are certified by the ethical supply chain program for toys and children's products. ICTI is committed to build better lives for workers and stonier industry through the ethical production of toys by working with 9 standards:

- Working hours must not be excessive & overtime must be voluntary
- Legal and fair pay
- No child labor
- No forced or involuntary labor
- Employees must be treated with dignity and respect
- No discrimination
- Employees' right of association must be observed
- Individual written labor contracts must be provided
- Working conditions are safe and employee health is not endangered

PROUD TO PRESENT: ECO MIFFY

Our first 100% recycled PET collection, Miffy Teddy. Certified by the Global Recycle Standard and available in three colour ways.

The Global Recycle Standard (GRS) was originally developed by Control Union Certifications in 2008 and ownership was passed to the Textile Exchange on January 1st 2011. The GRS is an international, voluntary, full product standard that sets requirements for third-party certification of recycled content, chain of custody, social and environmental practices and chemical restrictions
