Maison Deux is a Dutch design studio by Woes & Pia Weinberg. Founded to design fun, minimalist products for contemporary homes. All products are made from high-quality materials that last for generations. Simple and iconic products with a playful twist.

kids rugs

The Maison Deux rug collection consists out of high quality kids rugs that are 3D textured. A true statement piece for your kids room, made from super soft 100% New Zealand wool. Designed in Holland and hand-tufted by artisans in India.

3D textured

The woolen kids rugs feature different levels of pile heights with carved accents to create a subtle 3D effect. A unique 3D texture that pops right off the floor. This beautiful technique adds a sensory and fun element to the rugs and brings the design alive.

100% New Zealand wool

The Maison Deux rug collection is hand-tufted from high-quality 100% New Zealand wool by artisans from India. This natural and durable material is super-soft underfoot.

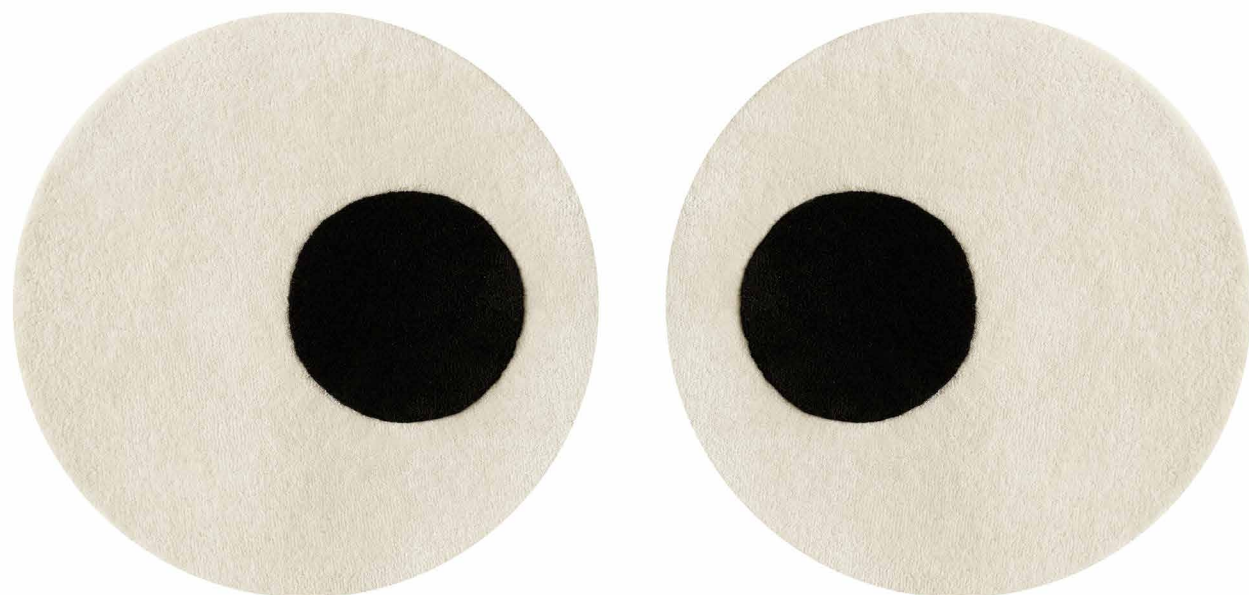

fairtrade

To enhance our ambition for a more sustainable and social future, all rugs are certified with the GoodWeave label. The best assurance that no child labor, forced labor or bonded labor is used in the production cycle. Besides, with every purchase you support programs that educate children.
